NO CANTEENS

ALLOWED IN NATIONAL SOL- DIERS' HOMES.

One of the liveliest debates of the
Session—Over Appropriation
Measure in House.

Washington, May 8.—One of the
liveliest debates of this session of
congress was that on the canteen ques-
tion in the house. It was upon a propo-
sition to deny the use of any part of
the appropriation for the maintenance
of the national soldiers' homes
if a canteen or beer-hall or other
place where intoxicating liquors were
sold were maintained at these homes.
The amendment was offered by Rep-
resentative Terrell, of Massachusetts,
and carried by a vote of 167 to 46.

Representative Bartholdt made a
point of order against the amendment
as new legislation, but the point was
not sustained. He attempted later to
get a speech in opposition to it and
in favor of the re-establishment of the
canteen in the soldiers' homes, but
was shut out because the time for de-
bate had expired. An amendment to
the amendment which allowed a poll
to be taken by the old soldier inmates
on the proposition was defeated 62
to 146.

Objects to Uncle Sam as Bartender.
Representative Smith of Iowa,
made one of the most vigorous speech-
es against the canteen. He said he
objected to the government going in
to the retail liquor business, and he
did not want Uncle Sam with a bar-
tender's apron on engaged in selling
beer. This sentiment brought ap-
plause from the galleries as well as
from members representing prohibi-
tion states. Representative Campbell,
of Kansas, later paraphrased Mr.
Smith's remarks, but the galleries did
not respond.

Representative Parker, of New
Jersey, defended the old soldier, who
he said had a right to have his own
club.

Representative Bennett, of New
York, said he stood for the sober sol-
dier, and had a letter read by the
clerk from an inmate of the branch
of the National Home at Danville,
Ill., the home of Speaker Cannon.
This letter opposed the restoration of
the canteen.

Representative Gaines, of Tennes-
see, the Democratic whirlwind prator,
coached by Representative Littlefield,
the Maine prohibitionist, declared he
was on the right side of the question;
that he had helped vote saloons out
of business in his state and he was
ready to repeat the performance here.

Chicago, May 8.—All National and
American league games were pos-
tponed on account of bad weather.

Sporting Notes.

It has been hinted that several of
the Detroit Tigers have not been
playing up to their usual standard on
account of so much more money
being paid Ty Cobb than the rest of
them. There seems to be a disposition
on the part of the Tigers to let
Tyrrus win the games himself if the
games are won.

Charles Griffin, the Australian
featherweight champion who whipped
Joe Bowker in London recently is
coming across the water for a fight
with Abe Attell.

Packey McFarland says he will re-
tire after two more fights. Nelson
and Gans are his choice for opponents
and it is possible that one of them
may retire the stockyards' wonder be-
fore he has a chance to make a Patti
forewell.

Jack Phenico, the crack Johnstown
bantam, has retired from the ring.
Jock's records show thirty-eight vic-
tories and eight draws without a de-
cision against him.

Coach C. S. Titus of Princeton, is
busy getting his crews in shape.

THE DISEASE IS CURABLE.

(Livermore, California, Herald.)
The disease which ranks second to
consumption in fatalities and which
has been deemed equally fatal is
Bright's Disease. That it is now pos-
itively curable is known to compara-
tively few people. Unfortunately, the
new treatment for Bright's Disease
comes under the head of proprietary
preparations, and medical ethics for-
bid a recognition of its merits. The
Herald takes the view that having pos-
itive knowledge of cures effected, its
duty to its readers and to humanity is
to state the facts. The publisher
knows of two cases in which it has ef-
fected permanent cures, and of two
others who had practically abandoned
hope, but who are now regaining their
health. This paper is not peculiarly
interested, and this statement is made
solely with a view of aiding such peo-
ple as may be afflicted with Bright's
Disease and have despaired of recov-
ery. Should any such receive benefit,
we will feel amply repaid for diverg-
ing from the beaten journalistic path.
—Livermore (Cal.) Herald.

Articles like the above are constant-
ly appearing and so interested me
that I sent for this treatment in the
interest of patients here.

I will be pleased to give full in-
formation to those interested.—W. B.
McPherson, Paducah, Ky.

"Baby Jim" and Moving Pictures
That Talk Interesting Features
Last Night.

"Baby Jim" and the "Moving Pic-
tures That Talk," two of the carnival
attractions that did not start the first
of the week, were opened to the pub-
lic for the first time last night and
drew large crowds. "Baby Jim" is
seven feet around the waist and
weighs over 700 pounds. The mov-
ing picture machine "that talks" is
the first of its kind to be exhibited
outside of New York city. A large
crowd was out again last night.

Saturday afternoon all school chil-
dren will be admitted into the main
gate of the carnival free, and the ad-
mission to all of the shows will be
half price. Probably all of the young
people will attend, and the manage-
ment promises to entertain the chil-
dren.

only for that wonderful medicine. It
loosens up a cough quicker than any-
thing else, and cures lung disease
even after the case is pronounced
hopeless." This most reliable reme-

striking garment workers at the May-
field woolen mills, have received in-
formation that President Schwarz, of

workers has gone to Mayfield with a
fund of \$2,000 to be used in the fight.
The president is quoted as saying
that all assistance necessary will be
furnished the Mayfield workmen and
more money will be forthcoming.

Best Healer in the World.
Rev. F. Starbird, of East Ray-
mond, Maine, says: "I have used

other obstinate sores, and find it the
best healer in the world. I use it too
with great success in my veterinary
business." Price 25c. at all drug

PROHIBS

NOMINATE STATE TICKET AT ILLINOIS CONVENTION.

Personal Liberty Planks of Other
Parties Welcomed as Issue By
Delegates.

Springfield, Ill., May 8.—Almost
a thousand delegates were present
when the prohibition state con-
vention was called to order in the
state armory by Alonzo Wilson, of
Wheaton, chairman of the state cen-
tral committee. Enthusiastic ad-
dresses were delivered at intervals
during the all-day session, in which
the prohibitionists took credit for the
local option victories throughout the
state.

Robert H. Patton, of Springfield,
temporary chairman, referred to the
personal liberty planks inserted in
both the Republican and Democratic
state platforms and declared that
both of these parties thereby become
allies of the United Societies of Chi-
cago. He said: "Our anti-saloon
friends will certainly prefer to vote
with us rather than to vote the same
ticket and endorse the same platform
supported by all the brewers, distil-
lers, saloon keepers, United Societies,
Sullivanites and Busselites in Illinois."

The ticket nominated is:
Governor—Eugene W. Chafin, of
Chicago.
Lieutenant Governor—Oliver W.
Stewart, of Chicago.
Secretary of State—H. A. Dubois,
of Union county.
Auditor of Public Accounts—Wil-
liam A. Peterson, of Chicago.
Attorney General—Frank S. Ro-
gan, of Rockford.
Treasurer—J. P. Durst, of Peoria.

A Lesson in Thrift.
A lesson in thrift is found in the
advice given by Congressman John
E. Audrus to a young man in this
city for whom he had secured a
minor appointment in the capitol at
Washington. Meeting the young fel-
low in the capitol, he placed his hand
on his shoulder and remarked:
"William, you are just beginning

How to Cure Skin Diseases.
Eczema, pimples, dandruff and
itching skin diseases are of local
origin and are caused by germs. In
order to cure these diseases the
germs and their poisons must be
driven to the surface of the skin and
destroyed. Salves and greasy lotions
may give temporary relief, but they
do not destroy the germs that cause
the disease. A St. Louis chemist has
discovered a clean vegetable liquid
remedy that will draw the germs and
their poisons to the surface of the
skin and destroy them, leaving a nice,
clear, healthy skin. This remedy is
known as Zemo, and by its many re-
markable cures has attracted the at-
tention of the leading scientists and
skin specialists of this country and
Europe.

Zemo has been given the most cor-
dial reception by the public of any
similar remedy ever produced, and it
is recognized as an honest medicine
that makes honest cures.
Zemo is for sale everywhere. You
can obtain a trial package free by
writing to the E. W. ROSE MEDICINE
CO., St. Louis, Missouri.
Mr. W. J. Gilbert has secured the
agency for Zemo in Paducah and will
gladly show you proof of some of the
wonderful cures made by this re-
markable remedy.
